Your Eminence,

In a telephone conversation on August 4, 2015, Fr. Joseph LaMorte told me that you did not consult with your Presbyteral Council before suppressing my slideshow/lecture on the Shroud of Turin. I hope you don't make the same mistake in connection with another blemish on the Catholic Church in the United States.

The Magis Center is run by a Jesuit and has the support of two cardinals and three bishops. This group promotes irrational arguments for God's existence using pseudoscience. I have asked for an opportunity to explain the harm the Magis Center is doing to the Presbyteral Council. I gave Fr. LaMorte the handout I am planning to use if my request is granted.

I have advised the Congregation for the Doctrine of the Faith about this matter. The handout and my letter to Cardinal Müller is at
