Dear Dr. Roemer,

We have been having trouble with our outgoing email, so I imagine you might not have received my message from Monday (which I append below). Having looked at the revised version of the paper, I regret to say that the judgment still stands that it is not suitable to us.

Sincerely,

Greg LaNave

Managing Editor

Dear Dr. Roemer,

I regret to inform you that we have decided not to accept your paper for publication. It is evident, on an initial review, that whatever the merits of the paper its proper venue is not an academic journal whose readership is familiar with scholarly debates on the topic. You may wish to send it to a publication whose readership is more accustomed to an essayistic approach to such topics.

Thank you for your consideration of The Thomist. I wish you all the best in your work.

Sincerely,

Gregory LaNave

Managing Editor
