Pastor

Rev. Mariellen Yoshino

email: myoshino@almadenhillsumc.org

Mariellen comes from a multi-generational family of pastors and missionaries who served in Japan, the US west coast, and south Alabama. Before becoming a pastor, Mariellen served as a missionary with the Appalachia Service Project, the UMC Board of Global Ministries, and as a Youth Ministries Director and a Deaf Ministries Coordinator with a church in Kansas.

Mariellen graduated from and counts as precious these alma maters: Andalusia High School (in Alabama), Davidson College (in North Carolina), Saint Paul School of Theology (in Kansas), and University of San Francisco (in California!).

Mariellen has pastored rural churches in Kansas and then, after 1990, she has pastored urban churches and been a District Superintendent in our Northern California-Nevada Annual Conference. She says, "It is an honor to be a part of this Almaden Hills United Methodist Church family! What a blessing it is to serve 'for such a time as this' in our country, with our city, and amidst our neighborhood."

His music has been published by Fred Bock Music and Concordia.

Notes Dear David,
In the past, atheists and agnostics were punished because they lacked the gift of faith. I'm punishing them now for being idiots. My guess is that you think atheists and agnostics have bad judgment because of their materialistic world view. If someone thinks they are Napoleon it means they are lying or crazy. They could be lying because they like staying in an insane asylum.
Very truly yours,

David Hosman <davidhosman@hotmail.com>
Fri, Nov 30, 8:24 PM (3 days ago)
to me

Way to go David. If they won't listen to you any other way let's force it down their throats with a judicial order! I hope your "argue them into heaven" approach works better for you than it has for others in the past.

to Bernard, Bernard

Dear Janet,

You are not on any mailing list. My plan is to file a complaint against Rev. Pecaro with Bishop Peter Eaton for not supporting my campaign to impeach the Second Circuit judges and being indifferent to my oral argument about God's existence to the Second Circuit of the U.S. Court of Appeals. I've attached the podcast of the argument.

Dear Chris,
I've sent out faxes and emails to 1894 churches in 12 congressional districts whose congressman is on the Judiciary Committee. Since I have one to five email addresses attached to each church, I estimate that I have sent out over 3800 faxes and emails. You are the first one to give me a pat on the back. THANK YOU!!!!

David Roemer <david@dkroemer.com>

Tue, Nov 27, 11:26 PM (3 days ago)

to Trey

Dear Fr. Halford,

I would very much like to know what are the "faulty implications." My understanding is that Resurrection of Jesus is an historical event and is a reason to believe in life after death. Believing in life after death is both a decision and a gift from God. The Resurrection is not evidence of life after death. It is rather a miracle or a reason to decide there is life after death. Another reason to believe is that people who describe themselves as atheists or agnostics don't know what they are talking about. My legal actions prove how unprincipled, ignorant, and dishonest atheists and agnostics are. I am providing another reason to believe.

Ryan Hallford

Tue, Nov 27, 2:14 PM (3 days ago)

to me

David Roemer,

This is Fr. Ryan Hallford from St. Jude Catholic Church in Baton Rouge Louisiana. I listened to the recording and

read the four-page letter you wrote to the House of Representatives. But I'm confused as to why you sent me the previous email. Did you want to discuss? I do believe you arrive at some faulty implications from your metaphysical framework.

-In Christ,
Fr. Ryan Hallford

to April

Dear April,

Thank you very much for your support. I've sent out thousands of emails and faxes. You are maybe the second or third person to respond positively. Are you smarter than everyone else? Doesn't everybody understand that one of the signs Gods gives us to believe is that people who don't believe are dishonest about the evolution of human beings and the arguments for God's existence?

April Berman
Jan 2, 2019, 10:34 AM
to me

Dear Mr. Roemer,

God bless you, I will be praying for your strength and endurance,
I would be good to get many people to go to the court of appeals as possible.

I know both my sons are in college at UMD and definitely they want to sway the young adults to not believe in God.

So you are doing a great commission,

April

When Fr. George comes in I will give him your fax. I kept a copy for my husband to read.

--

1 I will give thanks to you, LORD, with all my heart; I will tell of all your wonderful deeds.

Dear Monsignor Mustaciuolo,
Concerning my letter to you of March 24, 2016, I just got a letter from the editor of The Review of Metaphysics, which is sponsored by the Catholic University of American, praising the article which is at

https://www.academia.edu/23340072/WHY_PEOPLE_BELIEVE_GOD_CAUSED_THE_BIG_BANG

I have attached this letter, and am hoping you will help me organize a developmental lesson for college and seminary students in your archdiocese on the arguments for God's existence. I still have not heard yet from the two students at the Columbia Catholic Ministry or from Fr. Dan Reilly.

I just published a website that contains the latest developments in my efforts to promote the Holy Shroud, despite the efforts being made to marginalize this precious relic: <http://www.dkroemer.com>.

I've also attached the letter I'm getting translated into Italian and intend to send to every Italian cardinal if the Roman Rota does not send me a list of canonists to represent me in the lawsuit.

The American Catholic Church is still living in the 20th century. Anyone now can go on the internet type in "was Jesus buried in a common grave" and "david roemer vs cardinal dolan."

Very truly yours, David Roemer

Notes Dear David,
Columbia violated the academic freedom of its community because there is no other way they could have learned the correct arguments for God's existence, as you stated. That my constitutional rights were violated is just a legal fluke.

As a Director of Student Ministries you should know and understand the rational argument for God's existence. I am quite sure from your comments that you do not. I suggest you listen to the attached podcast to learn the argument. Then read the three lengthy entries in the Stanford Encyclopedia of Philosophy to learn that the SEP authors don't know the argument either.

The first argument was from Aristotle who said there had to be a "prime mover". Thomas Aquinas picked up on this without thinking and said there had to be a "first cause." In the 1920s Etienne Gilson showed that these arguments made no sense but that the metaphysics of Thomas gave a rational argument for God's existence.

Thank you for writing. With the exception of Sunday the 21st, I will be away from Thursday afternoon, October 18 until Tuesday, October 30 at the Diocese of Texas Clergy Conference, a North American Committee meeting for St. George's College-Jerusalem, and a speaking engagement at St. Stephen's, Richmond, VA. While away, my access to email will be extremely limited. Due to the volume of messages received, upon return it will take me some time to respond. If you need timely assistance, please email Canon Vicar Art Callaham at acallaham@christchurchcathedral.org.

Grace and peace,

My opinions in this matter are none of your concern. If it discusses politicians or those running for elected office, then it IS politics. I have no problem drawing that line.

I am marking this email as spam and all others like it. Please do not bother me again, for any reason.

Dear Rev. Punkett,
You completely misunderstand my communication. I'm not talking about politics. I'm talking about reasons to believe and miracles. I am criticizing Ted Poe for not impeaching the Second Circuit Judiciary. Did you listen to the podcast? Does it upset you that I am calling Stephen Jay Gould a liar?
Very truly yours,

Dear David,

Not sure how you obtained my email address, but please REMOVE me from your mailing list. I am uninterested in reading stuff like this again or reading your political opinions.

I think Ted Poe is a good man, but your message does not serve him well.

Subject: Signs of Revelation

There are two miracles, or signs, that involve Congressman John Ratcliffe of the 4th Congressional District of Texas, who is a member of the House Judiciary Committee. I filed a First Amendment lawsuit against Columbia University for declining my offer to give a lesson/lecture on God's existence. Columbia violated the academic freedom of the Columbia community because there is no other way the students and faculty could learn the rational concept of God and the argument for God's existence. The Stanford Encyclopedia of Philosophy, for example, has three long entries about God's existence (cosmological, teleological, and ontological) but none of these entries make sense.

Since Columbia is a private college, there is no cause of action. The first miracle is that the U. S. Court of Appeals for the Second Circuit nevertheless agreed to hear my oral argument on January 18, 2018. The podcast is on the Court's website and attached to this email.

The second miracle is that the attorney for Columbia U. announced his appearance for the President of Columbia (Lee Bollinger) one day before Mr. Bollinger read the amended complaint. I filed a motion for a default judgment ----- Message truncated -----

Subject: Signs of Revelation

There are two miracles, or signs, that involve Congressman John Ratcliffe of the 4th Congressional District of Texas, who is a member of the House Judiciary Committee. I filed a First Amendment lawsuit against Columbia University for declining my offer to give a lesson/lecture on God's existence. Columbia violated the academic freedom of the Columbia community because there is no other way the students and faculty could learn the rational concept of God and the argument for God's existence. The Stanford Encyclopedia of Philosophy, for example, has three long entries about God's existence (cosmological, teleological, and ontological) but none of these entries make sense.

Since Columbia is a private college, there is no cause of action. The first miracle is that the U. S. Court of Appeals for the Second Circuit nevertheless agreed to hear my oral argument on January 18, 2018. The podcast is on the Court's website and attached to this email.

The second miracle is that the attorney for Columbia U. announced his appearance for the President of Columbia (Lee Bollinger) one day before Mr. Bollinger read the amended complaint. I filed a motion for a default judgment -----

Dear Sam,

I'm sending it to all the churches in the 18th Congressional District because Rep. Lee is on the Judiciary Committee. I am asking the House of Representatives to impeach the Judiciary Counsel of the Second Circuit. I've attached my four-page statement I sent to all members of the House of Representatives.

How to Fix It

The address may be misspelled or may not exist. Try one or more of the following:

Send the message again following these steps: In Outlook, open this non-delivery report (NDR) and choose Send Again from the Report ribbon. In Outlook on the web, select this NDR, then select the link "To send this message again, click here." Then delete and retype the entire recipient address. If prompted with an Auto-Complete List suggestion don't select it. After typing the complete address, click Send.

Contact the recipient (by phone, for example) to check that the address exists and is correct.

The recipient may have set up email forwarding to an incorrect address. Ask them to check that any forwarding they've set up is working correctly.

Clear the recipient Auto-Complete List in Outlook or Outlook on the web by following the steps in this article: [Fix email](#)

delivery issues for error code 5.1.10 in Office 365, and then send the message again. Retype the entire recipient address before selecting Send.

If the problem continues, forward this message to your email admin. If you're an email admin, refer to the More Info for Email Admins section below.

Was this helpful? Send feedback to Microsoft.

More Info for Email Admins

Status code: 550 5.1.10

This error occurs because the sender sent a message to an email address hosted by Office 365 but the address is incorrect or doesn't exist at the destination domain. The error is reported by the recipient domain's email server, but most often it must be fixed by the person who sent the message. If the steps in the How to Fix It section above don't fix the problem, and you're the email admin for the recipient, try one or more of the following:

The email address exists and is correct - Confirm that the recipient address exists, is correct, and is accepting messages.

Synchronize your directories - If you have a hybrid environment and are using directory synchronization make sure the recipient's email address is synced correctly in both Office 365 and in your on-premises directory.

Errant forwarding rule - Check for forwarding rules that aren't behaving as expected. Forwarding can be set up by an admin via mail flow rules or mailbox forwarding address settings, or by the recipient via the Inbox Rules feature.

Recipient has a valid license - Make sure the recipient has an Office 365 license assigned to them. The recipient's email admin can use the Office 365 admin center to assign a license (Users > Active Users > select the recipient > Assigned License > Edit).

Mail flow settings and MX records are not correct - Misconfigured mail flow or MX record settings can cause this error. Check your Office 365 mail flow settings to make sure your domain and any mail flow connectors are set up correctly. Also, work with your domain registrar to make sure the MX records for your domain are configured correctly.

For more information and additional tips to fix this issue, see Fix email delivery issues for error code 5.1.10 in Office 365.

Subject: Signs of Revelation

Dear Rev. Walker,

There are two miracles, or signs, that involve Congressman Lamar Smith of the 21th Congressional District of Texas, who is a member of the House Judiciary Committee. I filed a First Amendment lawsuit against Columbia University for declining my offer to give a lesson/lecture on God's existence. Columbia violated the academic freedom of the Columbia community because there is no other way the students and faculty could learn the rational concept of God and the argument for God's existence. The Stanford Encyclopedia of Philosophy, for example, has three long entries about God's existence (cosmological, teleological, and ontological) but none of these entries make sense.

Since Columbia is a private college, there is no cause of action. The first miracle is that the U. S. Court of Appeals for the Second Circuit nevertheless agreed to hear my oral argument on January 18, 2018. The podcast is on the Court's website and attached to this email.

The second miracle is that the attorney for Columbia U. announced his appearance for the President of Columbia (Lee Bollinger) one day before Mr. Bollinger read the amended complaint. I ----- Message truncated -----

Notes Rev. Father Simon Thomas

Phone: 901-327-8177

Email: FatherSimonThomas@gmail.com

Father Simon Thomas was born in Fresno, California in 1975, but three years later moved to Modesto, where he spent most of his childhood. He was raised in the Annunciation Greek Orthodox Church in Modesto, where he served as an Acolyte, dancing and directing in the Greek Dance Program, all the while participating in JOY and GOYA.

Upon graduation from high school in 1993, Father Simon attended UC Davis as a Pre-Med student. While there, he realized that he truly did not want to be a doctor. His priest and Spiritual Father would often say, "Instead of being a physician of the body, why don't you become a physician of the soul?" As it turned out, after two years at UC Davis, he left for Hellenic College in Brookline, Massachusetts, and the Seminary.

At Hellenic College, Father Simon completed two more very busy years (since there are not too many classes that will transfer from science to religion), receiving his B.A. in Religious Studies in 1997. After three more years at Holy Cross Greek Orthodox School of Theology, he graduated with a Masters of Divinity in 2000. In order to pay for his Seminary education, Father Simon worked full-time at the CVS Pharmacy in West Roxbury as Shift Manager from 1996-2000.

During his time at the seminary, Father Simon kept in touch with a young lady from his home parish. A relationship began that spanned thousands of miles from Boston to Modesto, which culminated in an engagement in the summer of 2000. As she was still in college, and had planned to spend a year studying abroad in Florence, Italy, Father Simon decided to spend a year in Thessaloniki, Greece. While there, he spent time continuing his education in the Greek language, culture, and services of the Church. He also had the unique opportunity to attend the Clergy-Laity Conference at the Ecumenical Patriarchate in 2000, assisting with the translation of the presentations from Greek to English.

When Father Simon returned to America, he accepted the position of Youth Director and Lay-Assistant under Father Peter Salmas at Holy Cross Greek Orthodox Church in Belmont, California. While there, he married his fiancée, Stephanie, in June 2002. He was later ordained to the Diaconate and the Priesthood on consecutive days in March, 2003. Both ceremonies were moving and very humbling experiences.

Father Simon was assigned that summer as the Assistant Priest under Father Steven Tsichlis at Saint Paul Greek Orthodox Church in Irvine, California. During his three years at St. Paul's, Father Simon was charged with the youth and young adults of the parish.

In August 2006, Father Simon began his ministry at Saint Barbara Greek Orthodox Church in Santa Barbara, California. While supporting and developing the existing parish ministries, Father Simon worked with the parish to create several new ministries, including a Missions Committee (medical missions and fresh water wells in Tanzania), Spiritual Development Committee, and a Parish History Committee. Father Simon was given the Office of Confessor on December 4, 2006.

The summer of 2015 brought a new adventure, with the transfer to Memphis, Tennessee. Desiring to be closer to family in the South, Father Simon began his ministry at the Annunciation Greek Orthodox Church in July of that year. Father Simon and Presvytera Stephanie are enjoying being Memphians with their three children.
